

MEET ERICA

AUTHOR, SPEAKER, PROFESSIONAL DOT-CONNECTOR

ERICA KESWIN is a workplace strategist, executive coach, and the founder of the Spaghetti Project, a unique platform that shares the science and stories of connections at work with companies, teams, individuals, and communities. Erica has worked as a consultant at the Hay Group and Booz Allen & Hamilton, as the Executive Director at Russell Reynolds Associates, and as an executive coach at NYU's Stern School of Business.

Throughout her twenty-plus years working with some of the most iconic brands in the world, Erica

has found that relationships are the most powerful driver of success for individuals and companies striving to attract and retain talent and loyal customers. Through her consulting and her research, Erica has developed a tried-and-true, human roadmap for people seeking a more meaningful and connected work life.

Bring Your Human to Work is Erica's guide for the workplace revolution that honors relationships and puts people first.

SPEAKING AND WORKSHOPS

BRING YOUR HUMAN TO WORK

*Smart Companies
Honor Relationships*

This flagship talk is based on Erica's twenty years as a consultant for some of the most iconic brands in the world, as well as her recent research for her book on what makes a company more "human." Erica offers powerful case studies and walks leaders and managers through her ten sure-fire ways to help them design a more human workplace, which all comes down to one simple thing—honoring relationships.

MANAGE MILLENNIALS WITH EASE

Just Honor Relationships

For businesses who want to attract and retain early-career professionals, Erica offers innovative ways to honor relationships, which is critical for those who want to keep their business current, connected, and relevant to every generation. She helps leaders and managers understand the values that are most important to this generation and shows them how to cultivate a culture of diversity, inclusion, and flexible work practices.

BE REAL

Speak in a Human Voice

The days of stiff corporate identity are (thankfully) over. For anyone and everyone running a business of any size and in any industry, this keynote offers unique and practical ways to connect with customers and employees in an authentic—and much more effective—voice.

PLAY THE LONG GAME

*Make Your Business
Truly Sustainable*

In today's purpose-seeking economy, top talent and valuable customers are all demanding that businesses be held accountable for everything from environmental impact, to diversity, to flexible work. This keynote offers leaders and managers dynamic case studies and an actionable roadmap for investing in the long game.

FIND THE SWEET SPOT

It's Between Tech and Connect

This keynote is targeted to managers and leaders who find themselves up against the wall of the digital deluge, and want to make a change. Erica offers real-world case studies and shows people practical ways to find that sweet spot—leveraging all that's great about technology, while at the same time learning how to disconnect to reconnect.
